

*ExcluSive Decor*

---

The background is a dark blue space filled with white stars. Overlaid on this are several large, semi-transparent triangles. One triangle is a vibrant blue, another is a deep purple, and a third is a lighter blue with a fine grid pattern. These triangles overlap each other, creating a complex geometric design. Bright, multi-colored starburst and lens flare effects are scattered across the image, particularly concentrated around the vertices and edges of the triangles, adding a sense of dynamic energy and depth.
